

Warning from the Lord through Ricardo Urias

I want to share with you something the Lord has had on my mind...on my back...it's been heavy. I've been carrying this for at least going on 4 weeks now.

First share something the Lord showed me. 3 nights in a row I laid there in bed and the visions came. One right after another...real fast like the Lord was trying to break me or show me. Some of the things I saw were beautiful. Some of the things I saw made no sense. It was almost too much for my mind to comprehend. But the things I saw...it was like chaos just broke out. Chaos that I don't think our minds are capable of handling. Finally, the chaos...the Lord showed me what this was about. It's the chaos that we're about to experience here on this earth.

"It's a hard word...it's a hard word, but it must be brought forth, says the Lord. It's a difficult word, but it must be heard. So, heed My word, thus says the Lord."

I'm going to read these scriptures because during these scriptures that the Lord led me to...He also gave me visions as I read some of them. Visions that I believe He wants brought forth so we understand...we understand what He's trying to bring forth here.

Zephaniah 1:12... "It will come about at that time That I will search Jerusalem with lamps
And I will punish the men Who [like old wine] are stagnant in spirit,
Who say in their hearts, 'The LORD will not do good, or evil.'

So right there, let's go to reference **Jer. 48:11**...

"Moab has been at ease since his youth; He has also been undisturbed, and settled like wine on its dregs, And he has not been emptied from vessel to vessel, Nor has he gone into exile. Therefore he retains his flavor, And his aroma has not changed." ¹² Therefore behold, the days are coming," declares the LORD, "when I will send to him (Moab) those who tip vessels and they will tip him over and they will empty his vessel...shatter his jars. ¹³

Skip over to Jer. 22:21

"I spoke to you in your [times of] prosperity, But you said, 'I will not listen!' This has been your practice from your youth; that you have not obeyed My voice.

Back to Zep. 1:13

¹³ "Moreover, their wealth will become plunder And their houses desolate.

Yes, they will build houses but not inhabit them, And plant vineyards but not drink their wine."

¹⁴ Near is the great day of the LORD, Near and coming very quickly.

Listen! The day of the LORD! The warrior cries out bitterly [unable to fight or to flee].

¹⁵ A day of wrath is that day. A day of trouble and distress, A day of destruction and devastation, A day of darkness and gloom, A day of clouds and thick darkness,

¹⁶ A day of trumpet and the battle cry [of invaders]
Against the fortified cities And the high corner towers (battlements).

Right there He showed me that's us...that's America...New York, LA, Chicago...these fortified cities with tall buildings.

¹⁷ I will bring distress on men So that they will walk like the blind [unable to find a way of escape], Because they have sinned against the LORD;

This next line right as I spoke it the Lord gave me a vision of what He is speaking here.

¹⁷ And their blood will be poured out like dust [and trampled underfoot], And their flesh like dung.

What the Lord is speaking of...the Lord is speaking of a nuclear war. He gave me the vision of a soldier on one knee with a rifle strapped on his back. This soldier knelt down on one knee and his blood poured out like dust and his flesh fell off his bones like dung. That is the effects of a nuclear bomb going off.

As read on

¹⁸ Neither their silver nor their gold Will be able to deliver them
On the day of the LORD'S wrath.

Right here He's speaking of the rich...the rich man. On this day, he will fear.

As these visions were rapidly going through and as I see them...I see them...there was just one thing that stood there...just paused...there was this document...documentation and I tried to read it, but got blurry so I could not read it. As I looked at it, what it meant that there's going to be a document signed by our President or president of some nation in the very near future that's going to change the world. Civilians of this nation are going to rise up against their own government. And nation will rise up against nation. And that day is coming.
